GENDER IDENTITY

OBJECTIVES

- Participants will demonstrate culturally competent LGBTQ inclusion.
- Participants will distinguish and practice appropriate and respectful interactions with LGBTQ self-identified individuals.
- Discuss characteristics associated with LGBTQ populations.

The training is intended to assist service workers and professionals with culturally competent information geared toward reducing stigma of the LGBTQ community in order to serve the community in the most competent manner. With the development of this training we hope to gather resources for the development of a community resource guide that will increase access to culturally appropriate services within the community and the Department of Behavioral Health.

Note: Participation for the entire class period is required to qualify for continuing education credit, no partial credit will be awarded. CE Credit is only awarded for actual instructional time.

Please note that all participants attending this training must be in accordance with the DBH Dress Code Policy.
